

# SACRED SENSUALITY RETREAT

October 7–14 · 2017 · Ibiza, Spain

# Love Yourself, Play, Be Free!

#### IT'S BEEN AN INCREDIBLE JOURNEY SINCE 2010.

From divorce and arriving in Ibiza, to waking up, through dancing across the Mediterranean, returning to the US to spread Shakti love and returning to Ibiza to launch the Sacred Sensuality brand on my 6 year anniversary of coming to the island. People have responded with such love to my books, stories, podcast, guided meditations and Goddess lifestyle. When I was living in New York from 2013–2016, I went through a journey of living in a mega city, burning out, hustling, over-masculinizing myself, creating a shell around my heart, and forgetting to nourish myself. When I would arrive in Ibiza for my annual vacation, the first things I did was do yoga on the beach, dance, play, listen to music, swim in the wild ocean waves, drink wine at sunset, skinny dip and surrender to nature. When I would return to NYC, all my girliends would be amazed at how I looked – skin soft and glowing, body toned and healthy, radiating love and joy from the inside. They even asked me, "whatever it is that you do over there, take me with you. I want to experience your Ibiza." And that was it. That was where the idea came to me to start sacred sensuality retreats for women who are overworked, burnt out, going through a career meltdown or heartbreak and need a nourishing vacation. My mission was clear: to give women a safe sanctuary to receive love.

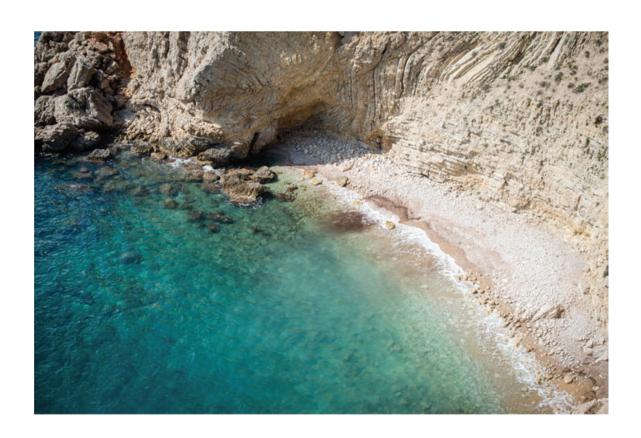

# My Ibiza

Life on this island is a gorgeous blend of nature, Bohemia, cosmopolitan, marina and country living.

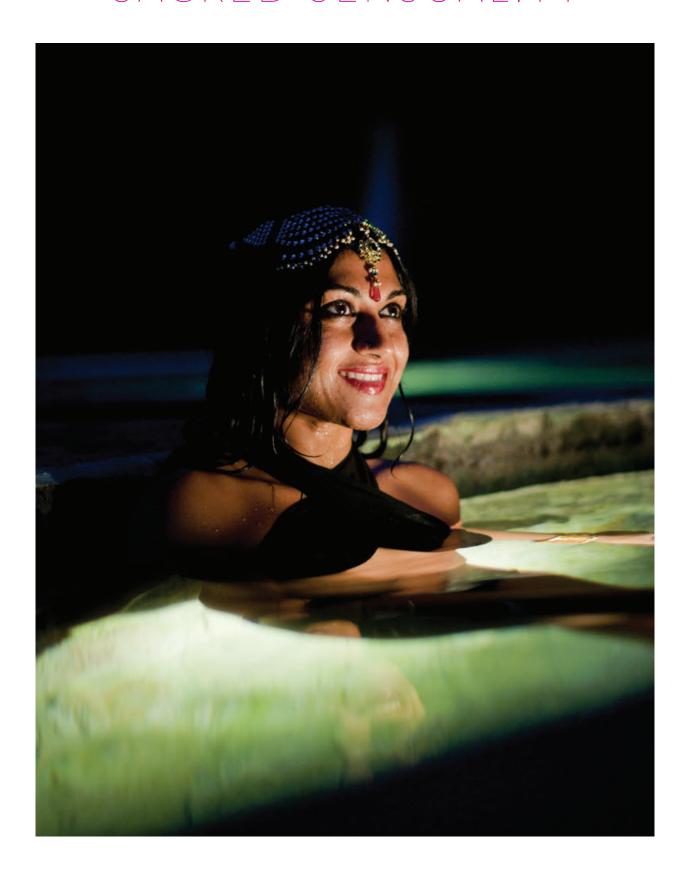

#### CAMPO BOHEMIAN MARINA PLAYA PUESTA DEL SOL

These are words we use every day. Meet me at the beach. Let's have a drink at the marina. Everything is accessible and within reach. Que Bella. Beauty is everywhere. It's a sensual and sacred feminine island. Magical. Sunsets that melt into the sea. Es Vedra. Turquoise waters and caves. Groves of fig and lemon trees. Come see for yourself... Come to Ibiza.

Getting to Ibiza is easy. Daily flights from JFK to BCN on Delta and Newark to BCN on Continental. Convenient 1-2 hour flights from all major European cities to BCN or Madrid are available. There are multiple flights from BCN to Ibiza on Vueling airlines that arrive in just 30 minutes.
